ROYAL CHATEAU OF AMBOISE

The most beautiful panorama in the Loire Valley

Suspended between the sky and the Loire, the royal château of Amboise's terraces form an exceptional balcony overlooking the UNESCO World Heritage landscape. Offer your clients this picture-postcard view, which will be the highlight of their trip.

The Renaissance palace of the French kings

Pomp, beauty, creativity and extravagance...When the Kings of France decided to create palaces inspired by the Italian Renaissance, their architects designed architectural jewels. Amboise, the favourite château of the iconic King Francis the First, is a discovery not to be missed.

The location of Leonardo da Vinci's tomb

One of the most famous geniuses in the history of humanity rests in peace in the royal château of Amboise. A visit to his tomb will certainly be a key moment during their Loire Valley trip.
